1 USB-C 30W Mains Charger Pack + Pink USB-C Power Delivery Cable

ENJOY ULTRA-FAST CHARGING UP TO 30W

The essential charging pack for your USB-C devices

Quickly charge all your USB-C devices thanks to Power Delivery technology.

This charger is compatible with all devices equipped with a USB Type-C port, up to 30W.

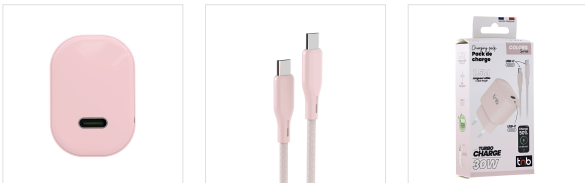

The charger is equipped with a USB-C output.

Incorporating GAN technology, which allows for very high charging power while maintaining a compact size, this charger is the ideal companion for all your travels.

The Power Delivery function allows you to charge your compatible devices very quickly, without damaging them thanks to protections against overvoltage, overheating, and short circuits.

In addition to the charger, you get a 1.5m USB-C to USB-C cable compatible with up to 60W.

100% of the plastic used in the charger and cable is recycled. In addition, 50% of the copper in the cable is also recycled. Using recycled materials significantly reduces the product's carbon footprint without compromising the charger's quality and safety. This approach is part of a comprehensive strategy aimed at reducing the carbon impact of our entire product range.
