

Make your life *easier*

Smartphon - Smartphone chargers - USB Type-C chargers

1 USB-C + 1 USB-A GAN 30W mains charger

ENJOY ULTRA-FAST CHARGING UP TO 30W

Quickly charge all your mobile devices with USB Power Delivery technology. This charger is compatible with all devices equipped with a USB Type-C port, up to 30W. The charger is equipped with one USB-C output and one USB-A output.

Incorporating GAN technology, which allows for very high charging power while maintaining a compact size, this charger is the ideal companion for all your travels.

When using a single USB-C port, the power output will be 30W / using a single USB-A port will deliver 30W / using two USB-C + USB-A ports simultaneously will deliver 30W (15W + 15W).

The Power Delivery function allows you to charge your compatible devices very quickly, without damaging them thanks to protections against overvoltage, overheating, and short circuits.

100% of the plastic used in the charger is recycled. Using recycled plastic significantly reduces the product's carbon footprint without compromising its quality and safety. This approach is part of a global strategy aimed at reducing the carbon impact of our entire product range.

Ultimate quality comes with a lifetime warranty on this product*.
